MIDWEST BROILER/FRYER - Prices on final majorities were unchanged to lower from last Monday's final; Ohio cities TFEWR. The market tone on whole broiler/fryers was about steady to weak. Trade interest on additional offerings was very light. Demand into retail and food service was easing from the moderate weekend clearance. Spotty retail features and sports bars provided the best call. Floor stocks generally in balance as buyers work hand to mouth. Weights desirable to heavy. Movement on parts was light for the fully sufficient offerings. The market tone was cautiously steady to weak on all parts.
